LUXURY

GTX⁺ LIMITED iS™ 260

Meet the most comfortable watercraft on the market. Only the GTX Limited iS 260 comes standard with our industry-exclusive Intelligent Suspension (iS®). With the new Ergolock™ seat, plus tilt steering, cruise control and much more, it all adds up to the ultimate in comfortable luxury.

NEW Jet Black Metallic & Deep Pewter Satin

iTC / iBR / iS / S³ / CLCS / ECO

RIDER CAPACITY

Weight capacity..... 227 kg

DIMENSIONS

Fuel capacity..... 70 l
 Length..... 353.5 cm
 Width 122.4 cm
 Weight (dry)..... 471 kg
 Storage capacity 63 l

HULL

Type..... S³
 • Longer platform
 • Rough water inspired deep-V hull
 • Stable and predictable

ENGINE

Type..... Rotax® 1503 HO 4-TEC® engine
 Intake system..... Supercharged with external intercooler
 Displacement..... 1,494 cc
 Cooling..... Closed-Loop Cooling System (CLCS)
 Reverse system Electronic iBR®
 Starter..... Electric
 Fuel type 87 octane – minimum
 91 octane – recommended

iS® (INTELLIGENT SUSPENSION)

ERGOLOCK SEAT WITH STEPPED DESIGN

LIMITED PACKAGE

WATERTIGHT REMOVABLE STORAGE BIN

TILT STEERING

AIRFLOW PFD (OPTION)

GTX LIMITED iS 260

ENGINE

1,494 cc four-stroke, Rotax with four valves per cylinder	Supercharged, external intercooled Rotax 1503 HO 4-TEC engine provides reliable performance in fresh or salt water, increased torque at low RPM, optimized power at all RPM levels and throttle positions.
iTC™ (Intelligent Throttle Control) system	Operating electronically, this advanced throttle system starts you in neutral for easier dockside starts. It also features an activity-specific Touring, Sport and ECO™ modes that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.
iControl® Learning Key®	The programmable Learning Key allows you to limit the performance of the PWC based on rider skill level.
D-Sea-Bel™ system	Combines a series of resonators and vibration-absorbing components to make Sea-Doo watercraft some of the quietest on the water.
Closed-Loop Cooling System	Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.

FEATURES

iControl	The "Brain" that integrates and controls all systems to create the best possible ride.
iS (Intelligent Suspension)	Allows the hull to move independently of the upper deck, isolating rider and passenger from the impact of rough water. The Intelligent Suspension features 6 inches of travel, electronic adjustment, manual or automatic modes, docking position and touring calibration for a smoother ride at cruising speed.
S³ Hull®	Stepped, stable & strong. The stepped design reduces drag and keeps you glued to the water.
Touring mode / Sport mode	Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride – ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides all acceleration performance for a more aggressive throttle response.
ECO mode	This iTC function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.
Ergolock seat with stepped design	Seat with narrow profile and knee support that lets people sit in a more natural position and leverage their leg muscles to hold on to the machine for more control and less upper body fatigue. Also featuring a stepped design for more comfort and better visibility to passengers.
Reboarding platform with rear storage	Easy access to battery, fuses and storage.
Fold-down reboarding step	Makes reboarding from the water easier and quicker.
Ski tow eye	For easy and secure attachment of ski rope.
Watertight, removable storage bin	Provides dry storage for luggage and necessities with easy access.
Tilt steering	4 adjustable steering angles for maximum ease and comfort.
Interactive Multifunction Digital Information Center	Cruise control, Slow mode, VTS preset, Suspension settings: auto and manual mode, Suspension dock mode, Fuel consumption instant & average, Fuel level, Tachometer, Speedometer, Hour meter, Compass, Clock, Touring mode, Sport mode, ECO mode, F-N-R indicator and more.
RF D.E.S.S.™ Key	With radio frequency technology and a ball-and-socket design, the Digitally Encoded Security System (D.E.S.S.) key provides riders with easy and quick starts every time.
Off-Throttle Assisted Steering (O.T.A.S.™)	Provides the operator with additional steering effect in off-throttle situations for greater maneuverability.

FEATURES CONTINUED

Handlebar with NEW palm rest
 Quick latch fuel filler design
 Hinged seat
 Sponsons
 Bumpers
 Wide-angle adjustable mirrors
 Footwell carpets with Sea-Doo logo pattern
 Swim platform carpet with Sea-Doo logo
 Reboarding handles on rear platform
 Rear grab handle
 Seat strap
 Front splash deflector
 Dual drain plugs
 Engine access cover (removable)
 Flush kit
 Emergency floating lanyard
 Operator's guide, instructional video and booklet

PROPULSION SYSTEM

iBR (Intelligent Brake & Reverse) system	First and only true brake on a watercraft recognized by the U.S. Coast Guard for improving boating safety since 2009. Now in its 2 nd generation, the intuitive and improved iBR allows you to stop close to 48.75 m sooner ¹ for greater peace of mind. All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier.
Stainless steel impeller	Delivers improved acceleration, higher top speed and less cavitation.

LIMITED PACKAGE

High-performance electric VTS™ (Variable Trim System)	Provides pre-set positions for quick settings when adjusting boat trim, maximizes acceleration and high-speed stability.
Additional gauge functions	Depth finder, Time / Distance to empty, Altitude indicator, Water temperature.
Speed Tie™	Automatic retractable mooring lines eliminate the hassles of traditional docking lines.
Removable dry bag	Keeps contents dry and converts to backpack when removed.
Safety kit	Contains all the essential safety equipment.
Glove box organizer	Ideal to keep gear or cell phone dry; removable and splash-resistant.
Watercraft cover	Protect your PWC.
Exclusive coloration	For extra style and premium look.

OPTIONS

Removable wakeboard rack	Sandbag anchor
Ski mode	Bilge pump
Top / average speed / RPM	Fire extinguisher
Lap timer	Fender
Engine temperature
